COLLECTIONS OR DUPLICATES OF COLLECTORS SOLICITED FOR SALE AT PUBLIC AUCTION

This sale is by far the best I have held this season, containing a varied and choice selection in all lines of Numismatics.

A large selection of United States Colonials including many rarities and a few in silver. There is also the rare Somers Island six pence among them.

A splendid lot of Canadian coins among which are quite a few high rarities. Also a splendid lot of Fenian Raid medals and South African War Medals.

A specially choice lot of early English Crowns among which are some rare pieces. Also a splendid selection of Foreign Silver coins too numerous to mention.

A nice lot of Swedish Plate Money in exceptional condition; Half Daler, One Daler, Two Daler and Four Daler and many Swedish Silver coins in choice condition, quite a few of which are rare.

A nice and varied assortment of all classes of United States Notes, United States Continental Paper Money, Broken Bank Bills &c and in fact there is a representation in every line to suit the specialist and collector.

I will not accept any bids from anyone unless satisfactory references are furnished, this is final. Do not send bids at the last moment with references, as it is impossible to get such information then. Send Cash Remittance of 25% of the amount of your bids and comply with the conditions of the sale.

My mailing list contains over 1000 active collectors. There will be distributed 1500 catalogues. My business has been established over 25 years and am ready to sell collections large or small. Terms on application.

Send in your bids at once, do not wait. Bids are apt to arrive too late or be overlooked if sent in at the last moment. Be sure to bid on the right lot and read catalogue and conditions of the sale carefully, when making your bids.

Be sure to bid on each lot at so much per piece and not for the lot, if there is more than one piece in the lot or will be compelled to refuse all such bids sent. Be sure to take a copy of your bids and be sure to sign your name to your order, do this first. I get many unsigned orders.

Write down the right number you intend to bid on as I will not hold myself accountable for such errors and will be compelled to hold you responsible for your errors. Remember the coins I am selling are the property of others and I have to make an accounting to them.

Send in your bids at once if you want the best service. Many times if an error is made it gives me an opportunity to write the collector and check up on his bids.
